Puerto Rico

- Students in public schools: 77%
- Student/teacher ratio: 13.7 to 1
- Students eligible for free/reduced-price school lunch: 100%

Nation (public)

- Students in public schools: 90%
- Student/teacher ratio: 16.0 to 1
- Students eligible for free/reduced-price school lunch: 54%

* Students who scored at least 214 at grade 4 and at least 262 at grade 8 reached the Basic achievement level, which denotes partial mastery of prerequisite knowledge and skills that are fundamental for proficient work at the grade assessed.

NOTE: The NAEP mathematics scale ranges from 0–500. These NAEP results are for public school students only.
